Unforeseen Circumstances

- In the event of a tie when choosing the finalist competitors who will advance to the finals competition round, the competitor who scored highest in the combined categories of *dish design* and *balance of flavour* will move forward.
- In the event of a tie among the Top 3 winners at the live competition, the final decision will be made by the head judge.
- In the event that one or more of the finalist competitors works for one of the pre-selected judges, it is at the sole discretion of Restaurants Canada and Garland Canada to determine if it is necessary for the competitor(s) to be judged by a replacement judge, selected at the sole discretion of the event organizers, to ensure fair and impartial evaluation.
- In the event that a competitor is unable to participate in either of the live competition rounds, they will be replaced by the next top-ranked competitor who is available. For example, if a competitor from the semi-finalists cannot make it to the live competition, the next competitor in line (competitor #13 based on the culinary school and organizations' rankings) will be invited to replace them and so forth until a competitor is found to join the next round of competition.
- In the event that a replacement competitor cannot be secured due to limited time, availability or unforeseen circumstances, it is at the sole discretion of the event organizers, Restaurants Canada and Garland Canada to decide whether the competition continues with a reduced number of competitors.
- In the event that a pre-selected judge is unable to participate, event organizers, Restaurants Canada and/or Garland Canada will select a replacement at their sole discretion. If a replacement judge can not be found due to limited time or availability, it is at the sole discretion of event organizers, Restaurants Canada and/or Garland Canada to decide if the judging continues with a reduced number of judges.
- Should any additional disputes arise that need to be settled, event organizers, Restaurants Canada and Garland Canada, in consultation with the head judge, will determine a solution at their sole discretion.

Fan Favourite Voting

The competition semi-finalists will automatically be included in the 'Fan Favourite' component of the competition. - One 'like' on the contestant's video is equivalent to one vote
- The voting may be accessed via a computer or mobile device. Limit one (1) vote per person per day during the Voting Period (voting period defined below).
- No automated devices and/or programs are permitted to participate in the voting, nor will those votes count.

- The eligible contestant who receives the most votes during the defined Voting Period, as determined by Restaurants Canada, according to the Restaurants Canada Instagram account and at its sole discretion, will be awarded \$500 CAD.

In no event will Restaurants Canada, its parent, subsidiary, licensees, and/or affiliates or related companies, or their respective officers, directors, employees, representatives, and/or agents, be responsible or liable for any damages or losses of any kind, including direct, indirect, incidental, consequential, or punitive damages arising out of lost, incomplete, late, damaged, or online communications; failures or malfunctions of phones, phone lines, or telephone systems or other communications malfunctions, failed computer hardware or software or other technical failures; garbled, lost, misrouted or scrambled transmissions; any error, omission, interruption, defect or delay in any transmission or communication; errors in receipt or tabulations of votes via online voting.

Restaurants Canada further reserves the right to cancel the Fan Favourite Voting or disqualify any vote(s) if it determines (in its sole discretion) that there has been any attempt to undermine the legitimate operation of the Fan Favourite voting by cheating, hacking, deception, or other unfair playing practices or intending to annoy, abuse, threaten or harass any other entrants or Restaurants Canada representatives. Restaurants Canada may temporarily or permanently disqualify the Fan Favourite Voting or any person they believe has violated these terms, terminate or suspend voting at any point, and/or declare the vote results based on the votes up to that point if it appears that the voting process has been so distorted by hacking or other interference that the results would not reflect actual valid votes should the voting continue.
