

RC Show Tradeshow Policy for Minors

At the RC Show, we prioritize the safety, security, and overall experience of all our exhibitors and attendees. In line with this commitment, we have implemented the following policies regarding the participation of minors. These measures are in place due to safety concerns and the presence of alcohol at the tradeshow.

1. General Restrictions for Minors on the Show Floor:

- **No entry for minors under 16 years of age.** Children under the age of 16 are **not** permitted on the Show floor at any time, regardless of affiliation or circumstances.
- **Exceptions for Infants:** Children under the age of 2 are not subject to this restriction but must be accompanied by an adult at all times. Infants must stay in a baby carrier or stroller. Please note, there are no designated areas available for safe walking or open play for minors.
- **Minors aged 16 to 18:** Minors aged 16 through 18 years of age are allowed entry only if accompanied by a responsible adult. The adult must always be present with the minor while on the Show floor. Students are expected to stay with their chaperone / instructor at all times.
- **No exceptions:** This policy is strictly enforced, and there are no exceptions for any individual under 16 years of age (exception for infants above). Any registration for individuals under this age will be considered unauthorized and a violation of the policy.

2. Age Verification:

- Minors aged 16-18 will be required to wear a wristband and their assigned tradeshow badge at all times. The event organizers and event security reserve the right to request proof of age from any individual at any time. This can include government-issued identification, school ID, or other forms of official identification.

3. Registration Policy:

- **Unauthorized registrations:** Registration of anyone under 16 years of age is strictly prohibited. Any person under the age of 16 who attempts to register or gain access to the tradeshow will be denied entry. (exception for infants as per above).
- **Exhibitors and attendees:** This rule applies equally to exhibitors, contractors, and all other attendees of the event. (exception for infants as per above).
- **Industry Networking events:** Restricted to attendees aged 19 and older

5. Enforcement:

- The event organizers are committed to upholding these policies and will enforce them consistently. Failure to comply with the rules regarding minors will result in the removal of the minor and their accompanying adult from the tradeshow floor and may lead to further restrictions or penalties for the violating party.

By attending or exhibiting, all exhibitors, attendees, and minors or their guardians agree to comply with the above policies. Thank you for helping us ensure a safe and enjoyable event for all participants.
